

Rush County Community Foundation

Payroll Deduction Authorization

Rush County Schools and the Rush County Community Foundation are giving you the opportunity to do great things for others. The Rush County Community Foundation has served Rush County since 1991 by awarding over \$9 million in grants, scholarships, and designated fund distributions. Contributions of all sizes are permanently invested, giving back dividends to the specific cause the fund supports—forever. Donations are tax-deductible.

By joining Rush County School’s payroll deduction program, you will make a difference in the lives of our community not only today, but for our future generations.
