The College Costs Estimator and Application are due: Friday, September 14, 2018

College Cost Estimator: - The College Cost Estimator is the financial part of the application process. Go to www.indianacollegecosts.org to get started.

The analysis of financial resources available to help fund postsecondary education is one of the factors considered by the Rush County Community Foundation's selection committee for the Lilly Endowment Community Scholarship. In an effort to assess the financial need of applicants, we are requiring that all applicants for the Lilly Endowment Community Scholarship:

1. Complete the foundation's scholarship application;
2. Complete an online College Costs Estimator form and corresponding release form (even if one has been completed previously).

A summary report based on the applicants' completed College Costs Estimators will be generated for the Foundation by the National Center for College Costs. The summary report will provide the Foundation with enough information to evaluate this factor in the selection process. We understand the information you provide to the National Center for College Costs is considered personal and confidential, so the Center's analysis of your numbers will only be released once they have received an online signed release from you. The applicant summary report will be the only financial information seen by the scholarship committee and will be used only during the scholarship selection process.

Important: while filling in your information on step 1 of 6 in the scholarship section you must select Rush County Community Foundation in order for your information to be submitted to us.

Application: DUE by 4:00 p.m. at the RCCF office

- Your application must include two letters of recommendation; one academic (teacher, coach, etc.) and one personal (family friend, minister, etc.). Make sure your name only appears once, at the top of the page. Your name may not be in the body of the letter. (This is because the nominating committee does a blind evaluation; they do not know the names of the applicants.)
- You also need to submit your current official high school transcript with your application. RCCF will not accept unofficial transcripts.

Rush County Community Foundation Scholar Code of Conduct Policy:

The Rush County Community Foundation Scholar Code of Conduct establishes expected behavior of potential and current scholarship applicants/recipients of awards from scholarship funds held and/or administered by the Rush County Community Foundation (the "Foundation"). In addition to any separate selection criteria established by the donor to a scholarship fund, the Foundation is looking for applicants of good character who will positively represent Rush County and the Rush County Community Foundation. Conduct and good moral and ethical behavior will be considered for anyone who applies for a Rush County Community Foundation Scholarship Program.

All Foundation scholarship applicants/recipients are expected to uphold high standards of conduct, which include abiding by federal, state, and local civil and criminal laws. They must also abide by the established conduct policies of their high school and/or college. Scholarship recipients should act in good character in and out of school. The applicant/recipient shall give permission for the high school principal or counselors (or school administrators at the college level, if appropriate) to notify the Foundation at any time if they become aware of an incident occurring involving an applicant or recipient, within or outside of the school setting, that potentially violates the RCCF Scholar Code of Conduct. The Foundation reserves the right to address any conduct-related issue that occurred or occurs at any time prior to a student's application for or receipt of a scholarship, or during or after the student's high school career, including the college years.

The Foundation will not take any action with regards to information of any type regarding a scholarship applicant/recipient, including conduct-related information, received from anonymous sources.

Potential scholarship recipients who violate these standards may be removed as a candidate for any RCCF scholarships at the discretion of the Foundation's Board of Directors. Current scholarship recipients may have their scholarship funds forfeited if in violation of their scholarship agreement.
