

## Spring Recap

Although your email inbox has been quiet with news from us throughout the past few months, our office has been anything but!

Spring quickly came and went at RCCF: we awarded more scholarship dollars than ever before, disbursed grant funding to deserving agencies, welcomed three new funds, and even welcomed a new member to the RCCF family (Alisa had her second baby, a boy named Alex, at the end of March).

As we transitioned to summer, our office faced transition: Kendra, our Program Coordinator of two years, resigned from her position at the end of June to spend time at home with her daughter. Though Kendra has been (and will continue to be!) missed, we look forward to introducing you to our new staff member and sharing our future goals for the position in the coming weeks.

We hope this e-newsletter brings you up-to-date with further information on the happenings from the past three months! Stay tuned for more news from RCCF in the approaching weeks!

### MARCH FUNDRAISER SUCCESS

As you may recall, the Foundation launched a fun "March Matchness" fundraising campaign and simultaneously participated in the Brackets for Good tournament throughout the month of March. \$27,693.76 was raised to support our community grant funds through this campaign! Thank you for sharing in the fun. Your generosity will make our community a better place for generations to come!

## NEW FUNDS

The Rush County Community Foundation is honored to be chosen to carry on the legacy of many through the charitable intent of established permanent endowment funds. In March, new funds were created at the RCCF by the family of Rick Levi, family and friends of Bob Priddy, and the custodians of the Joseph Hinchman Cemetery. We're pleased to add these three funds to our list:

- Bob Priddy Sports Partner Fund
- Joseph Hinchman Cemetery Pass-Through Fund
- Richard K. Levi Family Fund

...and we're even more thrilled that the Bob Priddy Sports Partner Fund has already begun doing great things in the community! In April, a grant from the Fund provided necessary financial assistance for cheerleading camp for a student athlete.
