117 N. Main St., Rushville, IN 46173 / Office Hours: M-F: 9-4
P: (765) 938-1177 / E: info@rushcountyfoundation.org

Description / eligibility requirements:

Indiana Super Achievers are featuring one teacher from each of the 92 Indiana counties. Each recorded show will feature two teachers each from a different county. With over 60k teachers in Indiana, being selected is a pretty big deal.

The first half of the interview will be for the show. The second half is for a teacher to share what they want their future generations to know about their life. We'll include family pictures, etc. if they like.

The Amazing Teacher will need to recruit another teacher to ask him or her the questions (this may be the person that nominated them). The only criteria is that they are still teaching and exceptional. It doesn't matter what grade or course they teach. They can be with a public or private school in Rush County.

In brief:

- still teaching in Rush County and
- an exceptional teacher
