INDEPENDENT AUDITORS' REPORT

Board of Directors
Rush County Community Foundation, Inc.
Rushville, Indiana

Opinion

We have audited the accompanying financial statements of **Rush County Community Foundation, Inc.**, which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Rush County Community Foundation, Inc.** as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Rush County Community Foundation, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Rush County Community Foundation, Inc.'s** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITORS' REPORT

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Rush County Community Foundation, Inc.'s** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Rush County Community Foundation, Inc.'s** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business - Rush County Community Foundation, Inc. (the "Foundation") is a nonprofit organization established to enrich and enhance the quality of life in Rush County, Indiana. The Foundation enables donors to carry out their own philanthropic intentions by serving as a full service agency and catalyst for meeting local needs in areas such as education, arts and culture, health and human services, civic affairs, and community development. The Foundation is supported primarily through donor contributions and grants. Investment earnings from the various funds also provide revenue to the Foundation.

Basis of Accounting - The financial statements of the Foundation have been prepared on the accrual basis of accounting and reflect all significant receivables, payables, and other liabilities.

Net Asset Classifications - Management has determined that the majority of the Foundation's net assets meet the definition of endowment under the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Foundation is governed subject to the governing documents for the Foundation, and most contributions are subject to the terms of the governing documents. Certain contributions are received subject to other gift instruments or are subject to specific agreements with the Foundation.

Under the terms of the governing documents, the Board of Directors has the ability to distribute so much of the corpus of some specific endowment funds, or separate gift, devise, bequest, or fund, as the Board in its sole discretion shall determine. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund.
2. The purposes of the Foundation and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Foundation.
7. The investment policies of the Foundation.

As a result of the ability to distribute corpus from some specific endowment funds, the Board of Directors has determined that these contributions received subject to the governing document, and subject to UPMIFA, are classified as net assets with donor restrictions until appropriated, at which time the appropriation is reclassified to net assets without donor restrictions. Contributions that are subject to other gift instruments may be recorded with or without donor restrictions, depending on the specific terms of the agreement.

Generally, if the corpus of a contribution will, at some future time, become available for spending, it is recorded as with donor restrictions. In addition, contributions that are promised to be given in a future period are presented as with donor restrictions. If the corpus never becomes available for spending, it will be reported as net assets with donor restrictions which are perpetual in nature. Net assets with donor restrictions that are perpetual in nature represent the fair value of the original gift as of the gift date, and the original value of subsequent gifts to donor-restricted endowment funds.

Net assets without donor restrictions include unrestricted resources, including donations, gifts, and bequests available for the use of the Foundation, over which the Board of Directors has discretionary control. The bylaws of the Foundation include a variance provision on the income of endowed gifts, giving the Board of Directors the power to modify any restriction or condition on the distribution of funds for any specified charitable purpose, or to a specified organization if, in its sole judgment, the Board determines that the restriction becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Cash and Cash Equivalents - The Foundation considers liquid investments with an original maturity of three months or less to be cash equivalents, with the exception of those held within its investment portfolio.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations - The Foundation received two grants that represented 60% of the total contributions and grants revenue for the year 2021. The Foundation received two grants and two contributions that represented 69% of the total contributions and grants revenue for the year 2020.

The Foundation had one grant that represented 89% of unconditional promises to give receivable at December 31, 2021. The Foundation had no such concentrations at December 31, 2020.

At December 31, 2021 and 2020, the Foundation had deposits held at a financial institution that were in excess of FDIC limits.

Functional Allocation of Expenses - The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The main expenses that are allocated include salaries and wages and related employee benefits and payroll taxes which are allocated on the basis of estimates of time and effort.

Investments - Investments are carried at fair value and include liquid investments with an original maturity of three months or less that are held within its portfolio.

Endowment Investment and Spending Policies - The Foundation has adopted an investment policy for endowment assets that attempt to preserve the real purchasing power of the assets and provide a growing stream of income to be made available for spending, and keeping pace with inflation in order to sustain the operations and grant-making capacity of the Foundation. The investment policy establishes a return objective through diversification of asset classes.

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk parameters.

The Foundation has adopted a formal spending policy to calculate the amount of money annually distributed from the Foundation's various endowed funds. The current spending policy is to distribute an amount determined annually by the Board of Directors and that rate is multiplied by the previous five-year rolling average of the fund's fair market value. For December 31, 2021 and 2020, the Board approved a spending rate of 4.2%. The Foundation's objective is to avoid invasion into the historical value or principal of a fund to meet the spending policy, unless the terms of a gift allows the Foundation to do so in a prudent manner. Accordingly, over the long term, the Foundation expects that the formalized spending policy will allow its endowment assets to grow consistent with the Foundation's objective to maintain the purchasing power of endowment assets, as well as to provide additional real growth through new gifts and investment return.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Unconditional Promise to Give - Pledges and contributions receivable are recorded at net realizable value. Conditional promises to give are recorded only when the conditions on which they depend are substantially met and the promises become unconditional. The unconditional promises to give at December 31, 2021 and 2020 were expected to be received within one year.

Property and Equipment - Property and equipment are stated at cost, less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets. Donated assets are reflected at their estimated value at the date of receipt. Routine repairs and maintenance are expensed as incurred. The Foundation's policy is to capitalize property and equipment expenditures in excess of \$1,000. Depreciation expense for 2021 and 2020 was \$19,108 and \$18,134.

The Foundation reviews for impairment of long-lived assets in accordance with accounting standards. These standards require organizations to determine if changes in circumstances indicate that the carrying amount of its long-lived assets may not be recoverable. If a change in circumstances warrants such an evaluation, undiscounted future cash flows from the use and ultimate disposition of the asset, as well as respective market values, are estimated to determine if an impairment exists. Management believes that there has been no impairment of the carrying value of its long-lived assets at December 31, 2021 and 2020.

Grants and Scholarships Payable - Grants and scholarships that are authorized but unpaid are reported as a liability. The grants and scholarships payable at December 31, 2020 were expected to be paid within one year. There were no grants and scholarships payable at December 31, 2021.

Funds Held for Others - The Foundation receives and distributes assets under certain agency arrangements. Accounting standards require that if a nonprofit organization establishes a fund at a community foundation with its own funds, and specifies itself or its affiliate as the beneficiary of that fund, the community foundation must account for the transfer of such assets as a liability. The liability is reflected as funds held for others on the statements of financial position.

Tax-Exempt Status - The Foundation, an Indiana nonprofit corporation, is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code"), and has been determined not to be a private foundation under Section 509(a)(1) of the Code. Accordingly, no provision for income tax is presented in the statements of financial position.

Accounting for Uncertainty in Income Taxes - Accounting standards require the evaluation of tax positions taken, or expected to be taken, in the course of preparing the Foundation's tax returns, to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. This statement provides that a tax benefit from an uncertain tax position may be recognized in the financial statements only when it is "more-likely-than-not" the position will be sustained upon examination, including resolution of any related appeals or litigation processes, based upon the technical merits and consideration of all available information. Once the recognition threshold is met, the portion of the tax benefit that is recorded represents the largest amount of tax benefit that is greater than 50 percent likely to be realized upon settlement with a taxing authority. Based on its review, management does not believe the Foundation has taken any material uncertain tax positions, including any position that would place the Foundation's exempt status in jeopardy, as of December 31, 2021.

Subsequent Events - In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through May 31, 2022, the date the financial statements were available to be issued.

NOTE 6 - PAYCHECK PROTECTION PROGRAM LOAN

The Foundation was granted a \$31,700 loan under the Paycheck Protection Program ("PPP") administered by a Small Business Administration approved partner in May 2020. The loan was uncollateralized and was fully guaranteed by the federal government. The Foundation initially recorded the loan as a refundable advance and subsequently recognized grant revenue in accordance with guidance for conditional contributions. Once the measurable performance or other barrier and right of return of the PPP loan no longer existed, the contribution no longer was conditional. The Foundation recognized the entire \$31,700 as contribution revenue for the year ended December 31, 2020. In addition, the Foundation applied for and received notification of full forgiveness during 2020.

NOTE 8 - COMMUNITY CENTER GRANT

During 2020, the Foundation received the funding for a \$5,000,000 grant. The grant is from Lilly Endowment Inc. and is for support for a new community center in Rush County offering comprehensive recreation, education and social service programs. As the grant contains both barriers and a right of return, the Foundation has recorded the full unspent amount of \$5,000,000 as a refundable advance as of December 31, 2020. During 2021, the Foundation had spent \$582,595 from the refundable advance resulting in a balance of \$4,417,405 as of December 31, 2021. This \$582,595 has been reflected as contributions and grants in the 2021 statement of activities. In addition, the corresponding expenses are reflected as contracted services in the 2021 statement of functional expenses.
