

July 2024

Zucchini. What to do with it can feel like summer's never-ending challenge. Let's be real. There's only so much bread you can eat, freezer space you can spare, and willing recipients to be found.

So, you turn to the Internet for crowd-sourced recipes. If you're willing to put in the effort and stay open to trying something new, you might just find a creative solution to your zuke dilemma. (Still looking for a fresh take? [Try this one](#). It's even delicious without the cream cheese!)

Our volunteer-led CBAP (Community Based Action Planning) efforts are like those online recipes. Groups of folks came together to experiment and develop new ways of dealing with our community's old challenges. Read on to learn about the fruits of their labor.

And there are more on the horizon - thanks to **\$90,000 in CBAP grants we've made in last couple of weeks**. These dollars are the last of Lilly Endowment's GIFT VII support and your donations to the Rush to Action Fund. **Thanks for helping us mix things up for positive change, Lisa!**

That's a Wrap for CBAP Grants

COMMUNITY
— BASED —
ACTION PLANNING

CBAP efforts began in the summer of

2021. We asked the community what we could do together to make positive change for Rush County and put out a call for volunteers. You gave us great feedback and then showed up to do the work!

With financial support from Lilly Endowment Inc.'s GIFT VII initiative and your gifts to the Rush to Action Fund, volunteers had dollars behind their ideas, addressing opportunities in seven areas of local life.

Here's a recap of the \$184,795 awarded in CBAP grants, including \$90,000 in NEW awards.

Nonprofits Received \$57,458 in Cycle I Community Grants Awards

We do the behind-the-scenes work, but it's your gifts to Community Grants Funds that meet a wide range of Rush County's ever-changing needs. These dollars impact nearly every resident of the county in one way or another through awards to fund emergency services, early learning, amenities, education, the arts, and more – not just today but forever. Grantee Update: The Heart of Rushville

The Heart of Rushville received a 2023 Community Grant to install locally designed art on INDOT Traffic Control Boxes along Main Street. The idea was to create visual art that would attract attention of residents and visitors alike on our most heavily traveled road. Beyond being a visual attraction, it was designed to bring attention to Rushville's history and attractions. **Have you seen them all?**
