First5

90% OF BRAIN DEVELOPMENT HAPPENS BY AGE 5
HERE'S WHAT YOU CAN DO TO HELP YOUR CHILD:

What is Early Learning?
Early learning is educational programming outside the home for children between birth and 5 years old. It is a high-quality daycare experience. It's not just babysitting. It's an interactive experience for the child which includes stimulating activities such as reading, singing, talking and playing.

PLAY

Allow time for playing with your child, help them try new things, and encourage them.

create a fall bucket list with ideas on how to get outside and enjoy the weather!

FALL BUCKET LIST

Jump in the leaves

Make a fall craft

Sing a Song: The Leaves are FALLing Down

(Sung to the tune of: "Farmer in the Dell" | author unknown)

The leaves are falling down
The leaves are falling down
Red, yellow, green, and brown
The leaves are falling down

Collaborate with your child ways to model behavior

Involve your children in activities where they can observe positive role modeling. Whether cooking a meal or tackling a project, working together allows them to understand your approach and witness your problem-solving skills. Conducting a challenging task from start to finish can foster a strong work ethic that can easily be translated into the classroom and in their everyday lives. <https://untappedlearning.com/leading-by-example-modeling-positive-behaviors/>

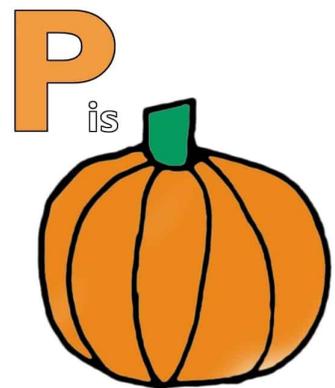

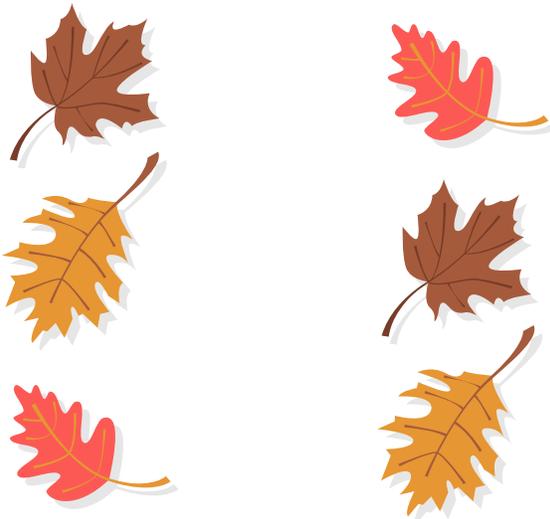

Is your little signed up for the Dolly Parton Imagination Library to receive a FREE book in the mail each month?

fall Leaf match

Draw a line to match the leaves.

for pumpkin

ask your little...

What do you see outside now that the weather is turning to fall?

What do leaves look like? Sound like? Smell like? What color are they?
